HIGH SCHOOL *Corner*

COURSE PLANNING

For high school course planning and course descriptions, see our website www.ark.net

PROVINCIAL ASSESSMENTS

This year, we will be signing up students to write the following assessments:
Grade 10 - **Literacy 10 in April** | Grade 11 - **Numeracy 10 in April** | Grade 12 - **Literacy 12 in January**
Watch out for phone calls and emails to confirm date, time, and location.

STUDENTS PLANNING TO GRADUATE THIS YEAR

If you are interested in attending a Post-Secondary Institution (PSI) after you graduate from high school:

- Start looking into applying now.
 - Most PSI's start accepting applications on October 1.
 - Many may consider you for entrance scholarships and bursaries if you apply before December
- Check the High School section on www.ark.net for information on PSI events and scholarships
- Sign up for a student transcript account on www.studenttranscripts.gov.bc.ca so you can have your transcript sent to your PSIs of choice.

Feel free to call or email Vice Principal Tracy Stalker or Melanie Merke for more information at **1.888.917.3783** or melanie.merke@ark.net

Having trouble motivating your child to learn something new?

LEARNING Sign up for A CAMP

Offered by:

Anchor Academic Services Inc.

Call: 1-888-917-3783 Web: www.ark.net

1) An Introduction to Geocaching Your child will learn about the GPS and use it to find hidden treasures in your community. Learn about the geographic coordinate system, the history of the GPS and the basics of geocaching. GPS units are loaned to families for the trekking challenge.

2) An Introduction to Electric Circuits A certified teacher teaches your child to understand the basic electric circuit, then helps them build battery projects safely with an Electricity Lab or LittleBits snap-on circuit kits. Kits are loaned to families through the AASI supply.

3) An Introduction to Coding and Robotics Learn how to code a simple game online and prepare them for greater coding challenges. Once the online module is complete, your child gets a chance to use that skill to program robots! Edison robots are loaned to the families through the AASI supply.

4) An Introduction to 3D Design & 3D Printing Learn how to design your own 3D object in TinkerCad. Designs are 3D printed and mailed home at the end of the course for them to enjoy!

For more information and to register online, go to www.ark.net/for_students/Learning_Camps.

HAPPY THANKSGIVING

Book Pumpkin

This simple pumpkin craft uses an old discarded or broken paperback book and some paint to make the cutest book pumpkin fall decoration that can be used for centerpieces or autumn decor. It is a surprisingly easy fall craft for older kids and adults to make fall pumpkins from an old book.

kidsactivitiesblog.com/61025/make-book-pumpkin/

Harvest Corn Cakes

Sweet corn takes on a whole new meaning with this recipe. The corncobs look delightfully like the real thing—except they're made of cake, frosting and peanut butter candies! These treats really brighten up the Thanksgiving table, and they're so easy to make.

www.tasteofhome.com/recipes/harvest-corn-cakes/

Turkey Leaf Craft

Instead of using decorative leaves, send the kids on a leaf hunt and have them pick their favorites for this craft. It comes with a template that makes it a perfect preschool Thanksgiving craft, or older kids can draw their own bird.
